\* Friday is Western Day  
*Hey boys and girls, get your western dudes on and get ready for Fabulous Friday at the ranch. We'll have a great time learning and experiencing the cowboy culture and much, much, more!*  
 (Rebecca Hampton)  
 Fabulous Fridays' classes are required subjects of the Academy, and the Georgia Department of Education. Students receive grades for performance and academic knowledge.  
 We understand that not all students can participate in all of the PE classes. However, all students must participate in Science and Theology classes and two of the PE classes offered.
